Please note: All Pet puppies are sold as pet only (also known as AKC Limited Rights) and are on a spay or neuter contract to prevent pet overpopulation. More information on this subject will be included in the purchase contract that will be given to you once your puppy is chosen.

~Waiting List and Fee Information~

To be placed on my waiting list for upcoming litters, a \$300 nonrefundable deposit must be submitted with this puppy application. Puppies are chosen in order of application received alongside a deposit. If either the deposit or the application is not submitted you will lose your place to others who submit both at the same time so please get both sent out promptly.

Once submitted and approved \$300 of the non-refundable deposit goes towards the purchase price and ensures your place on my waiting list. If; in the review process, are forced to deny you, your deposit (minus a \$50 application processing) will be refunded to you (\$250 total). However, once you are accepted and placed on the waiting list, your deposit becomes non-refundable going forward.

The deposit is not refundable, but it is transferable within two years of applying. If a puppy you were looking for hasn't been born, (for color or sex preference reasons) you can stay on the waiting list for the next two years from the date of approval. If you have not chosen a puppy by that time you, will forfeit the deposit and will have to start another application if you so desire. How this works ~ if the pup you're looking for is not born from the present time litter(s) you will just be skipped over until the one you're looking for is born within the two years' time. In the meantime, your name will climb higher to the top of the list.

I run a general waiting list, so it works by sex and color preference in the order I receive the applications. The less preferences you have, the sooner you will get a puppy. If you are looking for "something in particular", the longer you will end up waiting. My waiting list can be 6 to 12 months long for customers who have no preferences and 12 to 24 months for customers looking for preferred sex and color. Good things come for those who pray!

All options are LIMITED AKC PET ONLY PAPERWORK

1. Standard Colors: \$1,300

Anyone caught in anything dishonest will automatically be denied a puppy. Once approved and after a puppy has been chosen then I will email a contract of purchase for you to fill out, sign and return to me. I will not hold a reserve spot nor conduct the application review without both being received.

Please note: The only time deposits are refunded is when I deny your application, after references and or vet check, ONLY then will your deposit equaling \$250 minus \$50 application fee for processing be sent back to you. If your application is approved, deposits then become non-refundable but are transferrable to another litter of your choosing. I reserve the right to deny the sale of a puppy at any time for what I feel would not be of best interest of the puppy and for acts of dishonestly, harassment, or defamation of character.
